

CAFÉ STORIES & SIDE B

*Sixty-Two Stories Inspired by the
Greatest Band of All Time*

“An emotional jukebox where each story strikes a different key of memory.” Original short stories, each titled after a Beatles song, using the band's catalogue as a map for exploring everyday life, memory, humor, and the passage of time.

— Beatles Magazine

“Original, exceptional, deftly crafted, and a fascinating read from start to finish... a ‘must’ for all Beatles fans.”

— Midwest Book Review

Beatles songs are essentially love stories. This book was created to replicate the feelings you have when listening to the Beatles.

— Jerry Guarino, Author, *Café Stories: Stories Inspired by the Greatest Band of All Time*

WHAT READERS ARE SAYING

“What Jerry does is give you an outline of his characters and tease you into painting your own pictures... Using the titles of Beatles songs sounds so crazy, but Jerry makes them all work — you find yourself keeping the song in mind while the story heads off in another direction. Jerry’s humour shines through, as does his clever use of the twist at the end.”

— David Cousland, Author from the UK

“This delightfully inventive book utilizes 30 different Beatles songs for its story titles and themes... Cafe Stories features relatable characters in humorous situations... Take out your old Beatles album, brew a cup of tea and plant yourself in your favorite reading chair. These stories are worth reading over and over again.”
